EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following statement sets out material facts [explanatory statement] relating to the Special Businesses mentioned in the Notice.

Item No.1, 2 and 3:

Equity based compensation is considered to be an integral part of employee compensation across sectors which enables alignment of personal goals of the employees with organizational objectives by participating in the ownership of the Company through share-based compensation scheme.

Your Company has always believed in employee co-ownership and alignment of the rewards with the long-term value creation for the shareholders. With a view to align the employees' interest with that of the shareholders and to retain and achieve long-term performance, the Company had implemented "**Employee Stock Option Scheme 2016 or ESOS 2016**" and "**Employee Stock Option Scheme 2017 or ESOS 2017**" in the past, the shares reserved under which are near exhaustion.

At this juncture, the Company has transited to the next phase of leveraging market opportunities and business growth including addressing of business competition which has resulted in consistent demand for talent for critical roles. Apart from this, emergence of skillsets relevant for the Company's business coupled with industry practice as to equity compensation has resulted in changed dynamics of the talent market. This has necessitated in bringing out a meaningful reward strategy for attraction, retention, motivation and incentivisation of both existing and future critical resources in the leadership positions, or holding critical roles as required in the business.

Given the brief background above, and with a view to motivate the key work force, seeking their contribution to the corporate growth and to bring skin in the game, the Company proposes to implement a new employee stock option plan namely '**GFS Employee Stock Option Scheme 2024**' ("**ESOS 2024**" or "**Scheme**") seeking to cover eligible employees.

Accordingly, the Nomination and Remuneration Committee of the Directors ("**Committee**") and the Board of Directors ("**Board**") of the Company at their respective meetings held on 30th January 2024 and 31st January 2024 had approved the introduction of the Scheme, subject to your approval.

After vesting of Options, the eligible employees earn a right (but not obligation) to exercise the vested Options within the exercise period and obtain equity shares of the Company subject to payment of exercise price and satisfaction of any tax obligation

arising thereon. The employees may create wealth depending on prevailing market price of Equity Shares as on the date of sale.

The Nomination and Remuneration Committee of the Company shall supervise the Scheme as required under SBEB & SE Regulations. All questions of interpretation of the Scheme shall be determined by the Committee and such determination shall be final and binding upon all persons having an interest in the Scheme.

Exercise of Options shall be entertained only upon payment of requisite exercise price by the option grantees. The Options shall lapse if not exercised within the specified exercise period.
